

CITY OF COVINGTON

REQUEST FOR PROPOSAL

Consulting Services for Update of the 2007 Comprehensive Plan **Addendum 3- Issued April 25, 2019**

Please see the below question received regarding the *Update of the 2007 Comprehensive Plan's* RFP for the City of Covington.

Question 1. On Page 9 of the RFP '5.0 Proposal Requirements', #1 specifies we are to submit six copies of our RFP package, however #13 states we are to submit one copy of a recent study/plan. Just to clarify, are we to submit one copy of the recent study/plan for each of the 6 copies of the RFQ package (i.e. 6 copies of the study/plan)? Or just one copy of the study/plan total? **Date question received April 24, 2019.**

Answer and Response –#13 - *The consultant must also submit one copy of a recent study/plan covering similar scope to demonstrate the consultant's quality of work.*

Yes, you can just submit one copy of the study/plan total. The minimum requirement is one copy of a study/plan total.
