

**CITY OF COVINGTON
REQUEST FOR QUALIFICATIONS
ENGINEERING SERVICES**

Notice is hereby given that the City of Covington is seeking proposals for engineering services for the establishment of an engineering 'pool' for use by the City on an as-needed basis. Engineering services solicited will include but not be limited to the following: Roadway design & analysis, sewer treatment & collection systems engineering, water treatment & distribution system engineering, drainage collection & pump station design & analysis, recreational projects, and construction management.

Information packets are available from the City's website at www.covla.com or by contacting Daniel Hill, P.E., City Engineer, 317 N. Jefferson Ave., Covington, LA 70433 by telephoning (985)892.1811 ext. 721 or by email at dhill@covla.com.

Qualification Statements will be accepted until **Thursday, August 9, 2018 at 2:00PM** and should be submitted to:

Gina Hayes
Chief Administrative Officer
City of Covington
317 N. Jefferson Ave.
Covington, LA 70433
