If within thirty (30) days after receipt of such notice, the Contractor shall not have corrected such failure or, in the case of failure which cannot be corrected in thirty (30) days, begun in good faith to correct such failure and thereafter proceeded diligently to complete such correction, then the City may, at its option, place the Contractor in default and the contract shall terminate on the date specified in such notice.

## **26 Assignment**

The Contractor shall not assign any interest in the contract by assignment, transfer, or novation, without prior written consent of the City. **31 Record Ownership**

All records, reports, documents, or other material related to any contract resulting from this RFP and/or obtained or prepared by Contractor in connection with the contract herein shall become the property of the City and shall, upon request, be returned by Contractor to the City, at Contractor's expense, at termination or expiration of the contract.

**32 Content of Contract/ Order of Precedence**

In the event of an inconsistency between the contract, the RFP and/or the Contractor's Proposal, the inconsistency shall be resolved by giving precedence first to the final contract, then to the RFP and subsequent addenda (if any) and finally, the Contractor's Proposal.

**33 Contract Changes**
